## COURSE REPORT NAMES ELEVEN FIFTY ACADEMY ONE OF BEST CODING SCHOOLS

**FISHERS, IN** - Eleven Fifty Academy (EFA) has been named by Course Report as one of the Best Coding Bootcamps of 2018-2019. The Fishers-based coding academy has consistently been named to this list by Course Report.

“From your commitment to transparency in student outcomes to your efforts in making CS education more accessible, you’re all helping the bootcamp industry grow in a sustainable way.” - Liz Eggleston, Co-Founder of Course Report, shared in the announcement.

Now in their 5th year of existence, Eleven Fifty Academy focuses on relevant, up-to-date full-stack coding coursework. EFA boasts an impressive 93% graduation rate with 81% placement at salaries averaging \$51k, with many graduates starting above \$70k. The net result is that their graduates will likely earn more than \$1M in their first decade on the job.

“We are the jet fuel for accelerating a fulfilling and successful career in tech,” says Eleven Fifty Academy Founder Scott Jones. “And we are particularly excited about catapulting the careers of veterans, women, and minorities, too.”

Eleven Fifty Academy is a full-time immersive learning experience for software developers in C#, .NET, JavaScript, Android, iOS, and soon, Python. Students experience challenging multi-week programs while also learning soft skills training. GI Bill Funds are now accepted at Eleven Fifty Academy to help our veterans launch, pivot, or navigate their careers.

Eleven Fifty Academy has hundreds of graduates with new classes beginning each month and was recently featured in Newsweek as a top coding school.

**Eleven Fifty Academy** is a nonprofit organization focused on providing high quality, immersive software development courses designed to accelerate the learning curve for people of all ages and skill sets. The mission of Eleven Fifty Academy is to build an ecosystem of coding talent that financially benefits the individual, their employer, and their community.
